**Vishay Semiconductors** 

# Universal LED, Ø 1.8 mm Tinted Diffused Miniplast Package

### PRODUCT GROUP AND PACKAGE DATA

www.vishay.com

- Product group: LED
- Package: 1.8 mm (miniplast)
- · Product series: standard
- Angle of half intensity: ± 20°

### **FEATURES**

- · For DC and pulse operation
- · Luminous intensity categorized
- · End-to-end stackable in centre-to-centre spacing of 0.1" (2.54 mm)
- Material categorization: For definitions of compliance please see www.vishay.com/doc?99912

## **APPLICATIONS**

· General indicating and lighting purposes

RoHS COMPLIANT HALOGEN FREE <u>GREEN</u> (5-2008)

Junction capacitance	V <sub>R</sub> = 0 V, f = 1 MHz		Cj		50		pF	

#### Note

 $^{(1)}~$  In one packing unit  $I_{Vmin.}/I_{Vmax.} \leq 0.5$ 

LUMINOUS INTENSITY CLASSIFICATION					
GROUP	LIGHT INTENSITY (mcd)				
STANDARD	MIN.	MAX.			
Р	4	8			
Q	6.3	12.5			
R	10	20			
S	16	32			
Т	25	50			

#### Note

 Luminous intensity is tested at a current pulse duration of 25 ms. The above type numbers represent the order groups which include only a few brightness groups. Only one group will be shipped on each bag (there will be no mixing of two groups on each bag).

In order to ensure availability, single brightness groups will not be orderable.

In a similar manner for colors where wavelength groups are measured and binned, single wavelength groups will be shipped on any one bag.

In order to ensure availability, single wavelength groups will not be orderable.

# Disclaimer

ALL PRODUCT, PRODUCT SPECIFICATIONS AND DATA ARE SUBJECT TO CHANGE WITHOUT NOTICE TO IMPROVE RELIABILITY, FUNCTION OR DESIGN OR OTHERWISE.

Vishay Intertechnology, Inc., its affiliates, agents, and employees, and all persons acting on its or their behalf (collectively, "Vishay"), disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.

Vishay makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the continuing production of any product. To the maximum extent permitted by applicable law, Vishay disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on Vishay's knowledge of typical requirements that are often placed on Vishay products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a particular application. Parameters provided in datasheets and / or specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer's technical experts. Product specifications do not expand or otherwise modify Vishay's terms and conditions of purchase, including but not limited to the warranty expressed therein.
